Cover iPhone 4/4s

A collection of covers dedicated to the iPhone 4/4s addicted. Colourful and eye-catching graphics made for those who want to give a touch of personal style to their smartphone. The great classics from VaVeliero collections are now available for iPhone 4/4s. Incredible landscapes that make you dream, icons and symbols of beautiful places and trendy and appealing designs. The range of subjects and graphics from this collection is constantly growing to keep pace with fashion. These covers are made in anti-scratch and anti-crash plastic: they are lightweight and extremely thin and protect your iPhone with a touch of style.
